CONTINUING EDUCATION AHEC POLICIES

In order to be able to provide quality continuing education programs at an affordable price, the University of Kansas Medical Center Area Health Education Centers have the following policies.

■ **Registration Policies:**

1. **By mail** - the registration form must be completed and accompanied by check, money order or credit card (MasterCard or Visa) for the correct amount made payable to the appropriate AHEC.
2. **By telephone** - registrations will only be accepted over the phone with a credit card guarantee (MasterCard or VISA) or Purchase Order Number. Participants will not be considered registered/enrolled for a program unless the appropriate fee has been paid prior to the offerings' preregistration date.
3. **Online** - online credit card registrations are not available at this time.

■ **Additional Policies:**

1. A late fee of \$10.00 will be assessed if the registration is received after the announced preregistration date, or if the payment is made at the door. Registrations at the door will be accepted only if space is available. Preregistration is your only guarantee of space and handout material.
2. **Cancellation policy:** A registrant may cancel within the cancellation deadline for that program to receive a refund, minus a \$15.00 administrative fee. After that time, no refunds are made. The registration fee will not be transferred to future offerings. Refunds are made by mail. KUMC AHEC reserves the right to cancel programs and return all fees in the event of insufficient registration. If a program is cancelled by the AHEC, the paying party will be provided a full refund (refunds are issued from the University of Kansas Medical Center and cannot be issued through the AHEC offices). KUMC AHEC will not be responsible for any losses incurred by registrants, including but not limited to airline cancellation charges or hotel deposits.
- **Program Accessibility** We accommodate persons with disabilities. Please call our office or indicate on the registration form and a continuing education
